Effective Date	September 23, 2014
Notice Number:	FN-PA-SA200 non-Support of EZRF-092314-01

Notice

This field notice is provided on an “as is” basis and does not imply any kind of guarantee or warranty, including the warranty of merchantability. Your use of the information on the field notice or materials linked from the field notice is at your own risk. Meru reserves the right to change or update this field notice at any time.

Summary

SA200 non-support of EzRF v6.1-2 and later

Description of Field Notice

SA200 will only be supported for EzRF up to version 4.0. This is due to the flash memory limitation of the appliance as 2 GB is not sufficient support the 6.1-2 version. EzRF 6.1-2 Release Notes have been updated to reflect this limitation.

Affected Products

SA200 systems

Solution

Customers wishing to upgrade their EzRF application will need to purchase an SA250 or SA2000 to support the latest releases of EzRF. Contact your local Meru Sales Representative for information on purchasing a new Software Appliance model. Please note, SA200 was declared End Of Life (EOL) in September 2013.
